

The Riverview Retreat Center will combine the comfort and convenience of a hotel setting with the spectacular, distraction-free environment that makes Pecometh so special.

The work and the personal growth that will occur here is critical to the future of the church. It is at the heart of making disciples of Jesus Christ for the transformation of the world. We are honored to be a part of God's plan for this place apart.

The Riverview Retreat Center at Pecometh

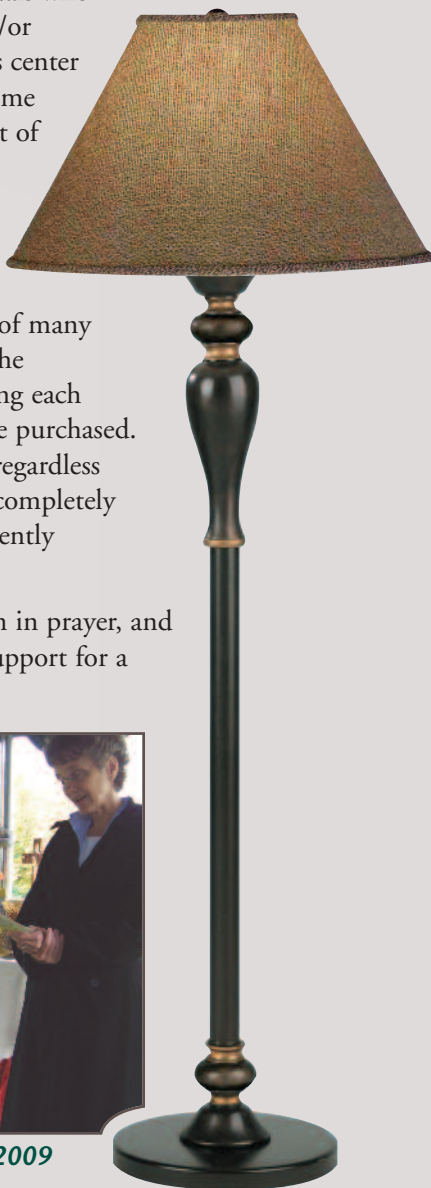

For the past five years, we have focused on the building of the new adult retreat center, now called The Riverview Retreat Center at Pecometh. Thanks to over 1,000 generous donors, the center is now under construction. In a very short time we will need to furnish this new facility, so that we can put it to use in ministry. Until now, we have focused primarily upon the generosity of individuals who have given from their personal assets and/or income to ensure the construction of this center for retreat ministry. The time has now come for us to turn to our churches for support of the furnishings phase of the campaign.

This brochure presents a variety of opportunities to participate, depending upon your church's interests and abilities. It will take the faithful prayers and gifts of many churches to complete the furnishing of the retreat center. The total cost for furnishing each room is given, along with the items to be purchased. All gifts faithfully given are appreciated regardless of size. If your church should decide to completely furnish a room, your gift will be prominently acknowledged in the room.

We hope you will lead your congregation in prayer, and respond with generosity to the call for support for a new adult retreat center at Pecometh.
